

Members of the **Hawaii Chapter** and the **Boy Scouts of Troop #72** had outstanding results at their **100th Battalion Club House** clean-up community service event on **August 24**. Mahalo to chapter member **Tangiloto Pahulu** of **Arcadia Retirement Services**, who brought her son's **Boy Scouts troop** and leaders. It was truly a day of gift giving by all who volunteered their time and talent. The eight faithful **Hawaii Chapter** members who attended would not have been able to accomplish all that they did in a timely manner without the help of the **Boy Scouts**. The day was spent cleaning the kitchen, restrooms, social hall, floors, glass ceiling, and grounds of the **100th Battalion Club House**.

Congratulations to IEHA's 25-Year Members!
