

Upcoming Events for the Hawaii Chapter By Shelly Awaya

Please be sure to mark your calendars — the November bi-monthly chapter meeting for the Hawaii chapter has been rescheduled to Wednesday, Dec. 7 to accommodate our members' busy schedules due to the Asia Pacific Economic Cooperation (APEC) summit. The meeting will be held at McKinley Community School for Adults.

"Communication Across Generations" is the program topic — expect it to be an excellent presentation for our professionals, especially since our industry has workers of many different ethnic backgrounds, cultures, and ages.

Five weeks later is the Jan. 11 meeting, which will be held at the Hale Koa Hotel. "Cyberspace 2012" is the program topic. With technology constantly changing and being implemented in properties across the state, it is always good to hear about new trends and breakthroughs that are created to make our jobs easier

and make us more efficient in our trade.

Please e-mail Veronica Mayer at veronica.mayer@hawaiianmonarchhotels.com to RSVP for these meetings or call 808-371-8345.

On a "greener" note, our chapter is moving toward being more environmentally conscious. We will now e-mail current members our meeting program and all future correspondence pertaining to the Hawaii chapter. You are encouraged to print the information if you desire, and bring it with you to the meeting. This is a great way for us to reduce our carbon footprint by saving paper, as well as saving on printing costs.

Here is another green tip: if you are attending the meeting with a colleague, share your program instead of printing multiple copies. Let's do our part to help conserve our resources!

For the latest updates and more information about our chapter, please visit our web site: www.hawaii-ieha.org.
